The European Convention Center Luxembourg

Progress Report #2

3) First IEEE Budget draft: DONE

We will send it for approval soon.

The budget is ok with 300 participants.

Fixed costs are covered by sponsorship => no risk

Question: Currently, sponsorship 50% for IEEE and 50% for ACM. Does the SC agree that we negotiate with IEEE to add the University of Luxembourg as co-sponsor?

4) We will invite chairs (Doctoral symposium, workshop, tutorial, etc.) before the end of the month

Progress Report #3

5) Program Committee Members and deadlines

PC Co-chairs: F. Sarro and C. Bird

PC members invitations will be sent soon

Late deadlines due to ICSE deadline end of March

Abstracts: April 27

Full paper: May 4

6) Social Events

Welcome Reception: private event in a pub

Gala Dinner: on a boat

Pending?

ASE 2023 will be:

- Virtual?
- Hybrid?
- Full in-person?

We are looking forward to hosting you in 2023!
